5 STATEMENT OF FACTS

6 This statement of facts is based on the reports, documents, and notes furnished  
7 to US Immigration and Customs Enforcement Special Agent Mathew Kelley.

8 On January 27, 2008 at approximately 2238 hours, Denise CARRILLO and  
9 Anthony MC FARLAND entered the United States at the Calexico, California, West Port  
10 of Entry. CARRILLO was the driver and MC FARLAND was the passenger of a 1995  
11 Honda Civic with no plates. Both CARRILLO and MC FARLAND gave a negative  
12 Customs declaration. CARRILLO stated that she was returning to her residence in  
13 Calexico, CA. CARRILLO presented her California Identification card and MC  
14 FARLAND presented a copy of his United States birth certificate to Customs and  
15 Border Protection Officer (CBPO) Bejarano. CBPO Bejarano noticed that CARRILLO  
16 appeared to be nervous due to a very shaky hand as she handed him her California  
17 identification card. CBPO Bejarano then referred the vehicle to the vehicle secondary  
18 for further inspection due to a computer-generated referral.

19 CBP Canine Enforcement Officer (CEO) Ragsdale, and his canine Rita, conduct  
20 a sweep of the vehicle. As CEO Ragsdale and Rita approached the vehicle, CEO  
21 Ragsdale noticed that MC FARLAND was mumbling and moving his legs back and forth  
22 nervously. The canine alerted to the rear seat of the vehicle. CEO Ragsdale notified  
23 CBP Supervisor De Los Cobos of the alert.

24 In the vehicle secondary lobby, CBPO Von Loesch took negative Customs  
25 declarations. CARRILLO informed CBPO Von Loesch that the vehicle was hers and  
26 that she owned it for approximately one month. CARRILLO also stated that they were  
27 in Mexicali to go shopping. As CBPO Von Loesch spoke with the subjects he noticed  
28  
29

1 that CARRILLO was avoiding eye contact with him and MC FARLANDS' legs were  
2 trembling.

3 A subsequent inspection of the vehicle by CBPO Von Loesch revealed thirty-  
4 nine (39) packages concealed within the quarter panels, rear seat and gas tank of the  
5 vehicle. CBPO Von Loesch probed one of the packages, and a sample of a green leafy  
6 substance was obtained, which field tested positive for marijuana. The 39 packages  
7 had a combined net weight of approximately 36.22 kilograms (79.68 pounds).

8 A pat down search of CARRILLO by CBPO Ayala resulted in the discovery of a  
9 small bindle of a white powdery substance that tested positive for the presence of  
10 methamphetamine.

11 CARRILLO and MC FARLAND were placed under arrest and advised of their  
12 Constitutional Rights.

13 MC FARLAND waived his rights and originally stated that he drove a green  
14 Honda Civic to Mexicali and met with CARRILLO at La Canchanilla. CARRILLO then  
15 followed MC FARLAND to a parking structure named Tecolote, where he left the green  
16 Honda Civic due to mechanical problems. MC FARLAND then received a ride from  
17 CARRILLO to the West Port of Entry where they were arrested in CARRILLO'S grey  
18 Honda Civic. MC FARLAND denied knowledge of the narcotics.

19 Agent's spoke with MC FARLAND'S mother, Martha Cueva. Cueva stated that  
20 both MC FARLAND and CARRILLO left her residence in the green Honda Civic to pick  
21 up the grey Honda Civic in Mexicali. Cueva stated that she had not seen the grey  
22 Honda Civic for approximately one week and was told that the grey Honda Civic was  
23 receiving mechanical work in Mexicali.

24 Agents again spoke to MC FARLAND. MC FARLAND stated that the grey Civic  
25 was in Mexicali getting fixed and lied because he did not know what was going on. MC  
26 FARLAND continued to deny knowledge of the narcotics and continually requested to  
27 speak with CARRILLO.
